

## PRINCE OF PEACE ADVENTURE ARK PLAYSCHOOL

The Adventure Ark Playschool offers children a safe, loving, faith-filled environment where they can play and develop under the supervision of qualified, loving Christian caregivers.

Students will experience fun “adventures” listening to stories, making crafts, playing games, enjoying music, playing with toys, and enjoying fresh air on our playground.

Every day at the Ark offers engaging experiences that support your child’s social, emotional, and intellectual growth and prepares them for preschool.

### ADVENTURE ARK PLAYSCHOOL

- Is committed to pursuing excellence in early learning and caregiving.
- Meets or exceeds the suggested child to teacher ratios recommended by the Alabama Department of Human Resources.
- All staff are certified in infant and child CPR.
- All staff have passed comprehensive background checks and have completed the Diocese of Birmingham’s Safe Environment training.

# ADVENTURE ARK PLAYSCHOOL

## TESTIMONIALS

“As a parishioner, parent and teacher at Prince of Peace Catholic School, I feel truly blessed that all four of my children attended Adventure Ark. Kara and her amazing staff always go above and beyond our expectations for both fun and education. My mind is always at ease knowing that my children are well taken care of, safe and in a place that facilitates learning. The Adventure Ark staff is like family and love and nurture your child as if he or she is one of their own.”

–Rachel Barranco

“Our daughter had two wonderful years at Adventure Ark Playschool. We couldn’t be happier and more grateful for such wonderful teachers and dedicated staff who managed to keep the playschool open during the pandemic and kept my little one safe and healthy. My daughter loves her teachers dearly and talks about them often. She was always excited about going to school in the mornings. She knows by heart all her prayers. It is delightful to hear her pray every night before going to bed.”

–Claudia Burgoa

“Adventure Ark is where it all started for our family when our daughter Lexi was just 9 months old. Having our children immersed in our Catholic faith was very important, and Prince of Peace does that so beautifully starting at the very beginning when they are babies. It’s difficult to find words to describe how grateful I am for such an amazing experience.”

–Cindy Crook
